Don't worry, we're still "Young, But Purpose Driven!"

[Keep Me Informed!](#)

Our C.H.I.E.F.F. concept is being expanded to a *mentoring*, versus an event-based, model to allow a consistent positive influence upon the youth we serve.

C is for *Career*

Youth learn about careers and why they should pursue a fit for them, then take steps to pick a likely path within a timed project.

H is for *Health*

Youth learn about and practice healthy eating, sleeping, exercise, and peer-selection choices for positive personal and family impact.

I is for *Integrity*

Youth learn about the value of integrity and the consequences of not having or maintaining it via planned exercises.

E is for *Education*

Youth gain an appreciation for the value of having an education at varied levels, and discover how denial of it can introduce critical consequences.

F #1 is for *Finance*

Youth learn the power of money when it is properly earned, shared, invested, and spent, via hands-on exercises, as well as projects of an entrepreneurial nature.

F #2 is for *Family*

Youth learn and practice proven techniques that aid in fostering positive and healthy relationships - with the inclusion of sound biblical perspective, as done with all CHIEFF areas.

We are expanding CHIEFF to on & off-line mentoring!

Do you have a desire to mentor youth? Have you been a youth mentor? Are you a youth, or do you know youth, that would like to be mentored? **YES** to any of these questions means we can work together to guide youth to healthy positive outcomes in life!

But we're keeping YQE & core event-based programs!

Youth Quake Experience, Teen Summits, CHIEFF Summits, Community Acts, and 100 Virtual Churches are all still in the fray of our positive youth development vision and initiatives.

See what a few of our youth have said...

Actual survey responses from youth participating in our programming. We have impacted hundreds of youth since our start in 2002 - time to impact thousands!
